Summary

Motivated B.Tech Computer Science student with strong interest in data analysis and web development. Skilled in Python, SQL, HTML, CSS, and JavaScript with hands-on project experience. Passionate about building responsive web applications and analyzing data to generate insights.

Skills

- **Languages:** Python, C++, JavaScript, HTML, CSS
- **Frameworks:** React.js, Node.js, TailwindCSS
- **Tools & Platforms:** MS Power BI, Git
- **Other:** REST API, Google Analytics, Excel

Education

Indus University — **Ahmedabad**
B.Tech – Computer Science Engineering | CGPA: 8.30 — *06/2023 – 05/2027*

P.G Public School — **Nandurbar**
Higher Secondary Education | CBSE | 59.00% — *2023*

P.G Public School — **Nandurbar**
Secondary Education | CBSE | 79.00% — *2021*

Certifications

- Learn Python Programming – Beginner to Master – Udemy
- Data Analytics and Job Simulation – Deloitte

Projects

1. **Shoplane – E-commerce Website** | Link — **03/2026**
   - Developed an e-commerce website with product catalog, shopping cart, and secure checkout functionality.
   - Implemented responsive UI and improved user experience.
2. **IPL Winner Prediction System** | Link — **04/2026**
   - Built a machine learning model to predict IPL match winners using historical match data.
   - Analyzed team performance, venue, and match factors to generate win probabilities.
3. **Sales Analysis** | Link — **01/2026**
   - Analyzed retail sales dataset using Python and Excel to identify trends and revenue patterns.
   - Created dashboards and reports for business decision-making insights.
4. **Portfolio Website** | Link — **07/2025**
   - Built a responsive portfolio using HTML, CSS, and JavaScript.
   - Designed interactive UI and smooth navigation for improved usability.

Strengths

- Strong foundation in web technologies and programming
- Quick learner with problem-solving mindset
- Effective team player with leadership experience

Extracurricular Activities

- Participated in coding competitions and hackathons solving real-world problems
- Contributed to open-source projects on GitHub
- Volunteered to teach basic programming to students
